OFFICE OF THE DEPUTY COMMISSIONER,

Dated Mysore, 11th April 192 9

Confidential

CB 187-28-1

Dear Sir,

I enclose herein for the information of Government copy of a D.O. letter received by me from the Superintendent of Police, Mysore District. I agree with the Superintendent that it is necessary to appoint a Special Magistrate to try the Sandal Oil defalcation case. The case is one in which there is a large number of witnesses and it is probable, that having regard to the nature of the evidence that has to be adduced which relates to accounts covering a long period, the examination of each witness will take a considerable time. As witnesses in this case are officers of Government in charge of responsible charges it is necessary that they should not be required to come very often. In view of these circumstances and the importance of the case which will require the undivided attention of one Magistrate, I would propose that a Special Officer be appointed to try the case.

Yours sincerely,
K. Chamtaraman

5) As instructed yesterday, I consulted the Chief Judge. He thinks that, as the cases may be disposed of by the Magistrate himself without having to go to the Court of Sessions, it would be desirable to select a senior officer for the place of Special Magistrate. He suggested the names of Mr. T. G. Ramaiyer & Mr. B. Narayana Swami Iyengar. The Law Secretary is also of this opinion.

6) If a very senior officer is not to be selected, the Chief Judge thought that a selection may be made from among Mr. Sesha Iyer, C. Lakshmana Rao and M. Ganapathi Iyer. The Law Secretary would add Mr. Abdul Ghani.

There is much evidence that has to be collected, and time is needed for this purpose.
